REMARKS

Applicants appreciate the detailed examination evidenced by the Final Official Action mailed October 6, 2005, (hereinafter "the Final Official Action") and the Advisory Action mailed December 8, 2005 (hereinafter "the Advisory Action"). In response, Applicants have herein canceled rejected Claims 1, 2, and 29, thereby placing the present application in condition for allowance which is respectfully requested in due course. Applicant respectfully request entry of the present Amendment After Final, as the amendments to the claims only cancel rejected claims and place objected to claims in condition for allowance as suggested in the Final Official Action.

Applicants further note that the cancellation of Claims 1, 2, and 29 is done to expedite prosecution of the present matter so that it may advance to allowance and is done without prejudice to the filing of any continuation applications to the subject matter of these and other claims directed to the present invention. Applicants encourage the Examiner to contact the undersigned by telephone at (919) 854-1400 if any informal matters arise.
